

My Future: Graduate User Guide

Register on the My Future platform

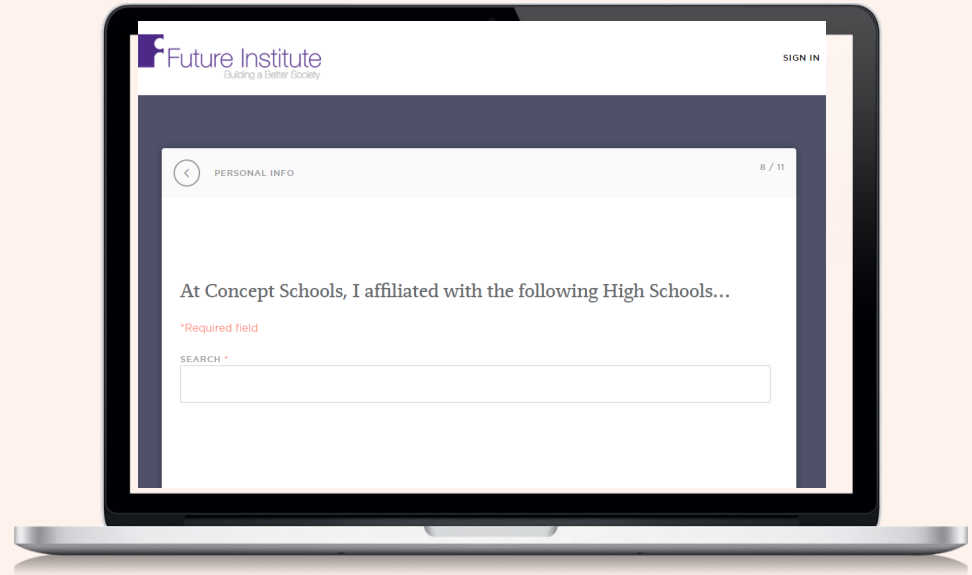

- Enter your name, email address that you use most frequently, phone number (preferred) and password that you'll remember.
- Enter your high school graduation year (month is optional)
- Enter "High School Diploma" for the degree and "General" for the field of study questions.
- Skip the next screen that asks you to add degrees and other fields of study.

Register on the My Future platform

- On the next screen, please select the high school you graduated from in the dropdown choices.
- Select “Other Groups” and then “Transcript Request.” You also have the option to select “College Liaison” if you are involved in this program from the “College Programs” dropdown.
- Then choose the languages you speak.

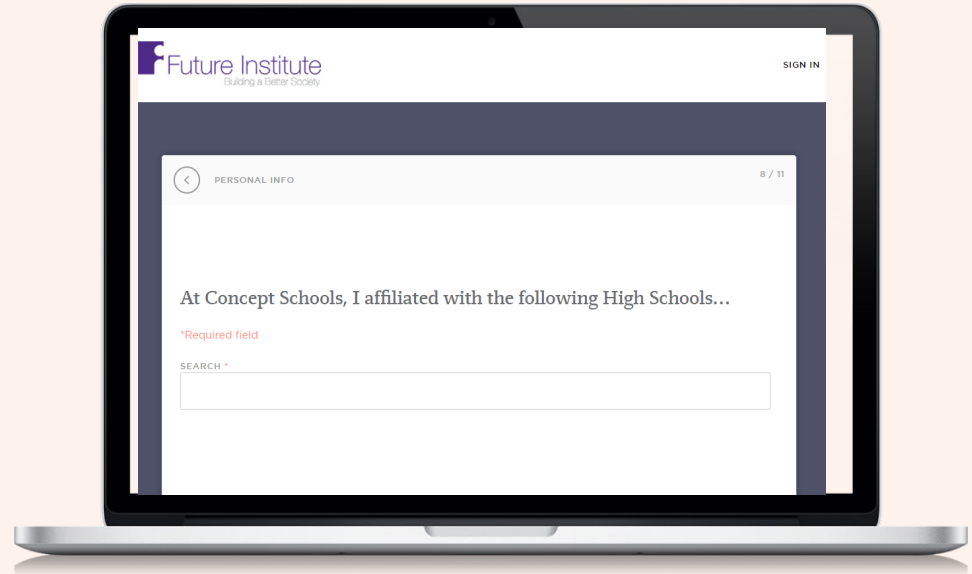

Register on the My Future platform

The platform is designed for a mentorship program originally, but if you are not part of one of Future Institute's mentorship programs, you can simply select random choices for the questions about seeking advice.

Please do not use the consultation features to connect with mentors and consult any of the matches you will see on the matching feature. Mentors will not respond if you are not in a mentorship program.

Keep in touch with your fellow
Concept Schools' graduates and
seek services provided by
Future Institute.
